Official Parking Policy

for Vehicles at Master Promotions' Events

Master Promotions Ltd.

Trucks larger than one-half ton and vehicles with branding are not permitted to park in the visitor parking lot. All branded vehicles and trucks larger than one-half ton are to be parked in the designated parking area.

The visitor parking lot is there for the benefit of our mutual customers. In an effort to make it as easy as possible for them to visit the event, please help us by complying.

If you are unsure of the designated parking area location, please ask show management, who will be happy to direct you.

NOTE: *This is the official policy for all Master Promotions' events and will be strictly enforced.*

Thank you for your cooperation.
